1 Read the Accounts of Receipts and Expenditure for the Month of October 1890 as per particulars given in the Margin

Passed

2 Read the Mortuary return for the last Month and it shews 11 births and 12 deaths.

Recorded

3. The Capacity of Kolaga Measurement used in the town by the tradesmen being different ranging from 8 to 11 Seers per Kolaga, and this difference affording room for fraud in the Measurement, resolved, that the Deputy Commissioner will be pleased to obtain Sanction of the Government to adopt the Krishnaraj Kolaga of 8 Seers only and to stamp the said measure-ment

measurement with Lead as is being done in the case of a Beer and other small measurements, in accordance with the Government order now in force;

4. Resolved that the Amildar will Submit an Estimate for repairing the Compound walls of, and putting up a Shed, in, the present Sheep Slaughter Enclosure near the Waste Weir of Nannut Tank.

5. In order to prevent Slaughter of Cattle and handling of dead Cattle, at different places in the Town, resolved that a Suitable Site be Selected by the Vice President and Municipal Commissioner Mir Hassan Ali Saheb Somewhere behind the Mokbara huts for a — Cattle Slaughter house,

and also for handling dead cattle by the Hotiyars and Madyars, and that the estimate to Enclose these places be submitted for the approval of the Board.

6. In view of improving Sanitation, owners or occupants of houses within the Municipal Limits of the Town should Cause the rubbish manure, night soil, and such like offensive collections in their Compounds, to be removed to fields or other suitable places outside the Town, once in every three months viz in the months of February, May, August and November in every year; and that this Resolution be notified by tom tom in the Town

X

I do not agree with the Board. No manure should be heaped up in the back-yard. Every day it should be removed by the house owners, if not the Municipality will undertake to do so, in which case manure will become Municipal property
